Tenant's Name: _____

Property Address:

I hereby issue my 60 day notice to renew my existing Lease Agreement that I have at my current residence. I would like to schedule an appointment to come in and renew my Residential Lease Agreement. I understand that by issuing my 60 day notice, does not automatically renew my lease. I also understand it is the owner's decision as well to issue a renewal of my lease agreement.

I understand that under Georgia Tenant's Law, a Landlord must issue to his/her tenant at least a 60 day notice to move, if the landlord does not wish to renew my Residential Lease Agreement.

Thank You in Advance,
